

How to submit your PDF document to The WILLA Literary Award

Make a copy of your PDF before sending it as an entry. Send the entire contents of the book, including the front and back covers.

You may also ask your editor or publisher to assist you with this process.

1. Upload a PDF document of your complete book to a shareable cloud storage, such as Google Drive or One Drive.
(Please note: Dropbox is not preferred as there are problems opening the files.)
2. Make the document shareable by following the directions appropriate to that drive. **Make the setting available to “Anyone with the shared link.”**
3. Copy the share link and send it **by email** to The WILLA Literary Award Chair Deborah Swensen at www.willachair26@gmail.com with the subject line: WILLA Entry – (category).

DO NOT SEND THE PDF DOCUMENT AS AN ATTACHMENT TO THE EMAIL. SEND THE LINK TO THE PDF ON THE CLOUD STORAGE.
